Dear Mr. Matarese,

On behalf of the Aviation Hall of Fame & Museum of New Jersey, thank you for your generous donation. The aircraft will be undergoing a full restoration for static display in the near future at the museum.

It will make a wonderful addition to our educational programs. We look forward to sending photos and contacting the appropriate news sources once the restoration is complete.

Sincerely,

A handwritten signature in blue ink that reads "Wayne Miller". The signature is fluid and cursive.
